Virtue for the Month of February ~ Empathy

Empathy is identifying another person's feelings and concerns. It is walking like Jesus who sought to love and understand all people.

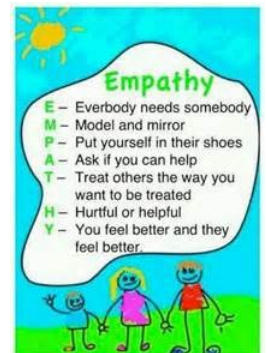

I am a caring family member when I...

- * I love God, myself and my family;
- * I care about and respect my "family" at school, at Church, in the community and the world;
- * I care about and respect God's creations;
- * Because I care, I pray for all my families, and I will live my life like Jesus.

BUSSING DESIGNATIONS

Please note that the following buses are designated

In Town Buses for the purposes of bus cancellations.

#823	#876	
#878	#871	#881
#875	#899	

All other buses are considered Rural Buses

When only In-Town buses are running, only the above noted routes will pick up students. Parents of students on rural buses deciding to bring their children to school will be responsible to pick those students up at the end of the day.

When in-town buses are running and your child will be absent from school, please call the school to assist with our Safe Arrival procedures.

519-376-9370

SNOW DAYS

If the **school is open and your child's bus is running** but you decide to keep your child home due to severe weather conditions

PLEASE CALL THE SAFE ARRIVAL LINE, 519-376-9370, to inform the school of your child's absence. Safe

Arrival is an integral part of the morning ritual and on Snow Days this process can be somewhat delays. Every phone call we receive helps to make things run more smoothly.

Conversely, if the **rural busses are cancelled and the school is open** and **you** decide to bring your child to school, it is your responsibility to pick up **your** child at the end of the day. Rural students will be placed in the pick-up line ready for 3:20 p.m. pick-up unless other arrangements are confirmed with the office.

NO SNOWBALLS PLEASE

Just a reminder to students and families that St. Basil's supports a **NO SNOWBALL POLICY**. Please take a moment at home to remind children of the potential hazards associated with snowballs and reinforce that this will not be tolerated at St. Basil's. We appreciate your patience and cooperation as always!

PIZZA ON SNOW DAYS/BUS CANCELLATIONS

With the onset of cooler weather and the potential for cancelled school buses we will follow the same policy for pizza days as we have in other years.

PLEASE NOTE that should school buses be cancelled and/or the school closed your child's pizza/pizza roll-up day will be their next regularly scheduled day at school. If a conflict arises between pizza and pizza roll-up, the lunch served will be the one scheduled for that day. The missed one will be made up on an alternate date. If in doubt please send a lunch with your child.

BUS CANCELLATIONS

SNOW DAYS

The Bruce-Grey Catholic District School Board is committed to ensuring that all schools and worksites are open every instructional/operation day.

On inclement weather days, schools will remain open when buses are canceled unless a school closure is announced. The Director of Education or designate is authorized to close schools should the inclement weather prevent students and staff from arriving to school safely.

It is the responsibility of parents/guardians to decide if they want their child(ren) to travel to school on inclement weather days when transportation is canceled.

Parents should continue to listen to local radio stations (**CFOS 560 AM, MIX 106.5 FM & Country 93 FM**) for bus cancellations and school closures, or access this information through the Grey Bruce School Bus

Cancellations & School Notifications website at <http://stscgb.wordpress.com/>. Links to the Bus Cancellations website are also posted on each school website. **St. Basil's School is in Zone 11.**

Subscribe to receive an email notification or Tweet when buses are cancelled.

HOLY CHILDHOOD LENTEN BANKS

Each year during the Lenten Season our school provides Holy Childhood Lenten Banks to families. We encourage you to put any loose change in these banks during Lent and help us assist Mission world in developing countries.

"Last year children in schools and parishes throughout Canada raised \$237,861 to help children in Ghana, Uganda, Kenya, Tanzania, India, and Sri Lanka. All donations (100% from children in Canada are earmarked exclusively for children in the developing world. Monies fund projects such as catechetical programs, literacy, nutrition, health care, meal programs, and the provision of new schools, libraries, caring for children with AIDS, and orphan care"

The realities faced by children in developing countries are a world away and it is hard for our children to imagine not having a safe school to come to everyday. Please help us educate our children by participating in our Lenten Bank Mission program by collecting your loose change during Lent.

In previous year's we have raised over \$1,000.00 to help provide simple necessities like clean and safe drinking water to children in these nations, something we all take for granted everyday.

Thank you for your participation!

**GRADE 2 FIRST COMMUNION**

Families planning to have their child participate in First Communion should be aware of the following date:

Saturday, May 9th, 2015 ~ First Communion

WINTER SAFETY

We have had a number of city citizens call the school with genuine concerns regarding the safety of our students while waiting for their buses in the morning and disembarking off them after school.

Primarily, students have been climbing on the large snow banks at the ends of driveways while they are waiting for their bus and after their bus has dropped them off at the end of the day. The concern is that students may slide off the snow banks and into traffic.

We wish to remind families that their young students should be supervised at bus stops particularly given the lure of the giant snow hills that children are playing on. Families should remind their children that this is not a safe activity while waiting for their bus and to refrain from climbing until after school when they are supervised by their family members.

In addition, while it is enticing for our children to tunnel through the snow with the size of the hills this year this is also not a safe activity for our students. The shear weight of the snow together with the height of the mound could cause severe injury.

Please remind your child of these winter safety tips. We want all of our students to have a fun and safe time in the snow!!

THANK YOU!

The Chapple Family wish to send out their heartfelt thanks to everyone who supported their family with donations when they lost their family home to fire. They were amazed by our school community and how we rallied to assist their family through a difficult time. They feel very fortunate to be surrounded by their loved ones and have such a wonderful and caring school community.

Parent-Teacher interviews for this term will be held on Wednesday, February 18th, 2014 from 4:00 p.m. to 6:30 p.m. **If you wish to request an interview with your child's teacher, please complete this form and return it to the school as soon as possible.**

WINTER CLOTHING

Throughout the Winter and wet Spring weather please remember to pack an extra set of clothing with your child. Accidents still happen at St. Basil's and we do not always have a spare set of clothing on hand. We always welcome donations of pants, underwear and socks!

LOST AND FOUND

We have a very large number of clothing articles in the Lost and Found here at St. Basil's. It seems unfathomable that this many clothing articles could go missing as there appears to be enough to clothe a small country.

Families are always welcome to drop in to check out the lost articles and pick up their child's belongings. While staff make every attempt to ensure that lost belongings are returned to their rightful owner this is not always possible as many articles are not labeled. Items that are not picked up by the end of the year will be donated to local charitable organizations. Thank You!
